[Verse 1 — Jay-Z:]

Yeah I'm out that _____, now I'm down in Tribeca
Right next to DeNiro, but I'll be hood forever
I'm the new Sinatra, and since I made it here
I can make it anywhere, yeah, they love me everywhere
I used to cop in _____, all of my Dominicanos
Right there up on Broadway, pull me back to that McDonald's
Took it to my stash spot, 560 State St.
Catch me in the kitchen like the Simmons' whipping Pastry
Cruisin' down 8th St., off-white Lexus
Drivin' so slow, but BK is from Texas
Me, I'm out that Bed-Stuy, home of that boy Biggie
Now I live on Billboard and I brought my boys with me
Say what up to TyTy, still sippin' Mai Tai's
Sittin' courtside, Knicks & Nets give me high five
Nigga, I be spiked out, I could trip a referee
Tell by my attitude that I'm most definitely from....

[Chorus — Alicia Keys:]

New York, concrete jungle where dreams are made of
There's nothin' you can't do
Now you're in New York
These streets will make you feel _____
The _____ will inspire you
Let's hear it for New York, New York,
New York

(You welcome OG—I made you hot, nigga!)

[Verse 2 — Jay-Z:]

Catch me at the X with OG at a _____ game
Shit, I made the Yankee hat more famous than a Yankee can
You should know I bleed blue, but I ain't a Crip though
But I got a gang of niggas walkin' with my clique though
Welcome to the melting pot, corners where we sellin' rock
Afrika Bambataa shit, home of the hip-hop
Yellow cab, gypsy cab, dollar cab, holla back
For foreigners it ain't fair, they act like they forgot how to add
8 million stories, out there in the naked
City it's a pity, half of y'all won't make it
Me, I got a plug Special Ed "I Got It Made"
If Jeezy's payin' LeBron, I'm payin' Dwyane Wade
Three dice Cee-lo, three Card Molly
Labor Day Parade, rest in peace Bob Marley
_____, long live the World Trade

Long live the King yo, I'm from the Empire State that's

[Chorus]

(That boy good... welcome to the bright light, baby.)

[Verse 3 — Jay-Z:]

Lights is blinding, girls need blinders
Or they could step out of bounds quick, the sidelines is
Lined with casualties, who sip to life casually
Then gradually become worse, don't bite the _____, Eve
Caught up in the in-crowd, now you're in style
Anna Wintour gets cold, in Vogue with your skin out
City of sin, it's a pity on a whim
Good girls gone bad, the city's filled with them
Mommy took a bus trip, now she got her bust out
Everybody ride her, just like a bus route
Hail Mary to the city, you're a virgin
And Jesus can't save you, life starts when the church end
Came here for school, graduated to the high life
Ball players, rap stars, addicted to the limelight
MDMA got you feelin' like a champion
The city never _____, better slip you an Ambien

[Chorus]

[Bridge — Alicia Keys:]

One hand in the air for the _____
Street lights, big dreams, all lookin' pretty
No place in the world that could compare
Put your lighters in the air
Everybody say "yeah, yeah, yeah, yeah" (c'mon, c'mon)
I'm from...

[Chorus]

Read the following Post-it notes and answer the TRUE / FALSE questions:

Although many people associate this song with Frank Sinatra, it was Liza Minnelli who sang it in the 1977 film of the same name.

Frank Sinatra began performing this in 1978 at concerts in New York's Radio City Music Hall.

"New York, New York" Quickly became one of his signature songs.

The song is written from the perspective of an entertainer who leaves a small town and tries to make it in the city.

Instead of obsessing over the difficulties he will face, he embraces the challenges in anticipation of a new life in a vibrant city.

Sinatra is from Hoboken, New Jersey, which is a suburb of New York City.

He was very popular in Las Vegas, but made it clear with this song that you needed to be even better to perform in New York.

New York has two major league baseball teams: The Mets and The Yankees.

The Mets are considered more a working-class Team and tend to represent areas like Queens, Long Island and to some extent, New Jersey. The Yankees are more associated with Manhattan, which is the hub of activity in New York City.

The Yankees consistently have the biggest payroll in baseball and have won the most championships. They, of course, appropriated "New York, New York," which they play after every home game, win or lose.

TRUE FALSE

This song was written for Frank Sinatra.

Sinatra performed this song together with Liza Minelli.

The song is about an entertainer.

Frank Sinatra was born in New Jersey.

The Mets and the Yankees are basketball teams in New York.

The Yankees play the song New York, New York after every home game.

Selfies at Auschwitz and 9/11 Memorial: Are They Ever OK?

The selfie craze has reached a new low: People are now taking the social snaps at *sacred* (heilige) places like the Auschwitz concentration camp and New York's 9/11 memorial. It's not that hard to believe considering how *ubiquitous* (allgegenwärtig) the social media photos have become. Miley Cyrus took one from a hospital bed, Ellen DeGeneres did it at the Oscars and, President Obama took one at a *funeral* (Beerdigung). Despite criticism, at least one person who took a selfie in front of the 9/11 memorial and posted it on social media said he did so out of respect and patriotism.

Olly Murs' secret love: X Factor star dates gorgeous blonde for over a year

By Emma Brankin

The singer is said to have been “enchanted” by commercial property manager and aspiring model Francesca Thomas, 24, when they met at last year’s V Festival

Pop star Olly Murs has found love after falling for a girl he was introduced to backstage at one of his gigs. The Troublemaker singer is said to have been “enchanted” by commercial property manager and aspiring model Francesca Thomas, 24, when they met at last year’s V Festival.

He has since showered her with expensive gifts – including jewellery and a new white Mercedes convertible. They have also enjoyed a series of lavish holidays in destinations including San Francisco and Dubai.

Francesca lives just a few miles from where Essex boy Olly grew up. Since their introduction at the V Festival in Chelmsford, Essex, last August, they have been keen to keep their romance quiet. However, their secret emerged when fans of Olly, also 29, spotted him in Dubai with Francesca. A friend later posted a picture online showing them together, smiling and swimming with dolphins.

A source close to the X Factor star said: “Olly was enchanted by Francesca as soon as he saw her and it is obvious why. She is beautiful.” “They became close really quickly. They both grew up in Essex and used to go out to the same places so had loads in common. “Things are really serious between them and they spend as much time as they can together, although it isn’t always easy as Olly is so busy.”

The Dear Darling singer hinted during an interview last year that he was dating but has repeatedly refused to disclose the identity of the mystery lady. Speaking in October he said: “I’ve recently been on my third date with some lovely lady, which is great. Just a date. I can’t say the name – it’s early days.”

Two months later he said: “It’s all early days. I only just had a day off for the first time in four weeks yesterday, so that says it all. “I’m very good at keeping things under wraps. I’ve not been a nun! “But I keep that side of my life very quiet. When I finish my work I go home to Essex and get on with my

life.” The comments sparked a guessing game among his thousands of female fans, with many going on Twitter to puzzle over the identity of his secret love.

Earlier this month Francesca posted pictures from their Dubai holiday – but none showed her famous boyfriend. They included snaps of her on a speedboat and at a water park. Her Instagram page also includes a picture of her with Robbie Williams, who Olly has recently been supporting on tour. Last month Francesca gave a clue on Twitter that she was the girl on Olly’s arm. Posting just before this year’s V Festival she wrote: “It’s finally Friday and I’m about to embark on yet another amazing weekend this past year has brung!”

Olly has been signed up as Gary Barlow’s guest judge for this year’s X Factor. He will travel with him to New York, where it has been revealed that Gary will be taking the groups. Olly finished as runner-up to X Factor winner Joe McElderry in 2009. His career has since gone from strength to strength and he has sold millions of records worldwide. He returned to the show as a co-presenter on The Xtra Factor with Caroline Flack, but later quit saying he wanted to concentrate on his music.

First, scan the qr-code and download the video-clip on your mobile phone. Afterwards, listen to the song and fill in the missing gaps ...

Dear Mr. President, come take a walk with me

Let's pretend we're just two people and you're not better than me
I'd like to ask you some questions if we can _____
honestly

What do you feel when you see all the homeless on the street?
Who do you pray for at _____ before you go to
sleep?

What do you feel when you look in the _____? Are
you proud?

How do you sleep while the rest of us _____?
How do you dream when a mother has no chance to say goodbye?
How do you walk with your head held high?
Can you even look me in the eye? And tell me _____?

Dear Mr. President, were you a lonely boy?
(Were you a lonely boy?)
Are you a lonely boy?
(Are you a lonely boy?)

How can you say, no _____ is left behind?
We're not dumb and we're not _____
(We're not blind)
They're all sitting in your cells while you pave the road to hell

What kind of father would take his own daughter's rights away?
And what kind of _____ might hate his own
daughter if she were lesbian?
I can only imagine what the first _____ has to say
You've come a long way from whiskey and cocaine

How do you sleep while the rest of us cry?
How do you dream when a mother has no chance to say goodbye?
How do you walk with your head held high?
Can you even look me in the eye?

Let me tell you 'bout hard work
Minimum wage with a _____ on the way
Let me tell you 'bout hard work
Rebuilding your house after the _____ took them
away

Let me tell you 'bout hard work
Building a bed out of a cardboard box
Let me tell you 'bout hard work, hard work, hard work
You don't know nothin' 'bout hard work, hard work, hard work

How do you sleep at night?
How do you _____ with your head held high?
Dear Mr. President, you'd never take a walk with me, would you?

Why do you think religion causes so much conflicts and wars in the world when it supposed to promote peace?

Maybe because they want to say that their religion is right and the other is not. or is it because they are just selfish and narrow minded.

People do feel strongly about their religions. In fact, they feel so strongly about them that they often think anything that they do in the name of religion is acceptable. People also take any insult to their religion very seriously, and consider anything that seems offensive to their beliefs as an insult to their religion.

A major cause of conflict is the feeling that your way is the only correct way. We get that in religion, but we also get that in things like communism and Nazism and nationalism in general. So it's not just religion that causes problems due to intolerance and narrow-mindedness.
